SPONSORSHIP LEVELS:

- **TABLE SPONSOR:** A \$280 sponsorship gets you 8 tickets for admission and a table reserved in your name, along with a mention as a table sponsor.
- **DOOR PRIZE* SPONSOR:** For \$100 we will purchase an appropriate door prize or prize bundle valued around \$100 for the event and mention you or your organization as the sponsor when awarding that specific door prize. You are welcome to do multiple door prizes for multiple mentions.
- **TABLE & DOOR PRIZE* COMBO SPONSOR:** A \$350 sponsorship gets you 8 tickets for admission, a table reserved in your name, mention as a table sponsor, PLUS we will purchase an appropriate door prize for the event and mention you or your organization as the sponsor when awarding that specific door prize.
- **CUSTOM DONATION SPONSORSHIPS:** If you donate an outdoors product (or gift certificate for product or service), that's appropriate for the event, we will give it away as a door prize* or use it for a raffle or auction item depending on the value and mention your sponsorship. The product value will determine how many times we mention or talk about you or your organization and your contribution. Contact us to discuss the options.

*Prize examples are guns, bows, ammo, arrows, knives, trail cameras, tree stands, blinds, outdoors prize bundles, gift cards to sporting goods stores and so-on. All items must be new.
